

WST

"Inspired by the spirit of innovation of the ESUG, this logo marries the lightness of the Smalltalk hot air balloon with the strength of a flame, thus capturing the energy and ambition of our community."

"Styled like a vibrant ribbon in the colors of the ESUG, this hot air balloon evokes the collective ascent towards knowledge, excellence, and sharing that inspires our community, ready to explore new horizons."

This logo is more institutional in nature, aiming to convey an image of stability and foster unity around it.
