

MR. CAMILLE TERUEL  
*Looking for a Ph.D position in Computer Sciences.*

## Contact Details

---

**Address** 1 rue du Général Margueritte  
54000 Nancy, FRANCE  
**Phone** +33 (0)9 54 58 90 22  
**Cellular** +33 (0)6 76 70 89 79  
**E-mail** camille.teruel@gmail.com

## Education

---

**2011** HENRY POINCARÉ UNIVERSITY OF NANCY  
*Master's Degree of Computer Sciences "Software : theory, methods and engineering",  
Graduation expected June 2011*

**2009** UNIVERSITY OF BURGUNDY  
*Bachelor of Computer Sciences with Honours, 2nd rank, June 2009*

**2006** HYPOLYTE FONTAINE SECONDARY SCHOOL OF DIJON  
*Scientific A-Levels with Honours, June 2006*

## Research Interests

---

Software Engineering  
Programming Language Design  
Component-Oriented, Aspect-Oriented & Functionnal Programming  
Human Computer Interaction & Ergonomics

## Skills

---

Software Design and Engineering  
Programming Languages : C, C++, Java, Scala, Ocaml, LISP, Ruby, PROLOG, Javascript...  
Theoretical Computer Science : Logic (modal, linear), Formal Semantics, Lambda Calculus...  
Model Checking & Theorem Proving : B, Event-B, TLA/TLC, SMV

## Research Publications

---

- 2011 “Does the boundary between an organisation and its information system still exist?”,  
BENJAMIN BOHARD, BASTIEN MARTINON, CAMILLE TERUEL,  
*29th INFORSID’s Conference on Information Systems*

## Internship

---

- 2011 “Modelization and validation of man-in-the-loop systems”,  
Design of a metamodel for control of procedures in man-machine systems,  
Supervised by DR. DIDIER FASS
- 2010 “Event-driven models’ compilation”,  
Implementation of a compiler Event-B to Java,  
Supervised by DR. DOMINIQUE MÉRY

## Languages

---

French : First Language  
English : Fluent  
Spanish : Basics

## Leisure Activities

---

Readings : Philip K. Dick, Donald A. Norman, Herbert A. Simon...  
Chess player  
Bass player
